

REMARKS

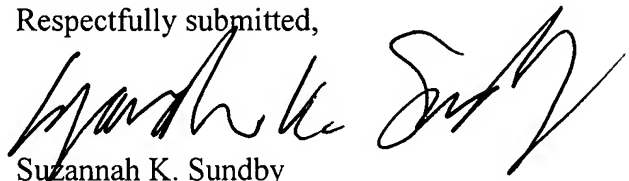

Applicants respectfully note the Notice to File Missing Parts of Nonprovisional Application mailed 27 February 2004, wherein Figure 13B was noted as being omitted from the application.

Applicants respectfully submit that Figure 14A was incorrectly labeled and should correctly be Figure 13B. The application as filed omitted Figure 14A. Applicants respectfully submit that Figure 14A is not necessary for enablement or written description support. Therefore, Applicants elect option III and will not file a petition and submit missing Figure 14A. Instead, as provided herein, Applicants have appropriately amended the Specification and the Figures to properly refer to Figure 13B, cancel references to missing Figure 14A, and refer to former Figure 14B as Figure 14.

No statutory new matter has been added by this amendment. Therefore, entry of the amendment is respectfully requested.

The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 02-4300, Attorney Docket No. 034044.029. If extensions of time under 37 C.F.R. §1.136 other than those otherwise provided for herewith are required to prevent abandonment of the present patent application, then such extensions of time are hereby petitioned, and any fees therefor are hereby authorized to be charged to our Deposit Account No. 02-4300, Attorney Docket No. 034044.029.

Respectfully submitted,
